International Grammar School WHOLE SCHOOL UNIFORM POLICY

The IGS School Uniform is made up of a variety of items, as displayed in this Uniform Brochure. K-12 Students can select any combination of uniform items to wear to school each day.

Guidelines

Students should:

- Present themselves in a neat, tidy and clean state.
- Wear all items of the uniform correctly.
- Wear a clean uniform that is in good order, and not ripped or damaged.
- School shoes should provide adequate support and protection.

Year 12 students may wear their Year 12 jerseys to school.

To assist students in meeting these guidelines, Primary Home Class Teachers and High School Heads of House will, where necessary, provide replacement items of uniform from the uniform shop. These items will then be charged to the student's account.

When school uniform is not worn correctly in the High School this may result in an UP (unacceptable) presentation. A lunchtime detention may ensue and parents will be notified.
